## FOURTH FORM ROOM

The Fourth Form Room is the spiritual heart of Harrow School. Dating back to 1615, it is the original classroom where Harrow School first opened its doors, and where you are surrounded by famous Harrow alumni, known as the Giants of Old. The Fourth Form Room is located within the Old Schools building, which offers superb views of Harrow on the Hill.

### EXISTING FURNITURE AND DIMENSIONS

All furniture in the Fourth Form Room is fixed and has been for nearly 400 years. The interior is extremely fragile, so it is only possible to achieve the layouts provided below. A dining table for 12 guests can be located in the centre of the room.

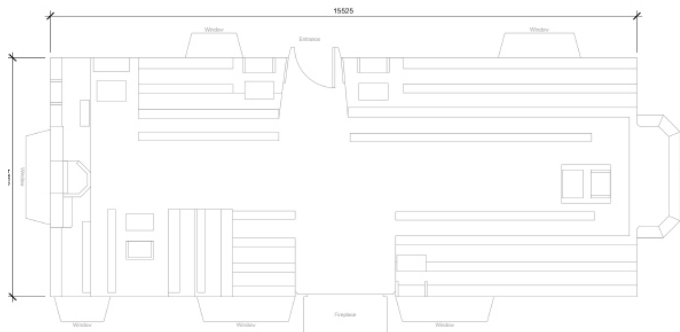

### AV AND POWER SUPPLY

This venue has no power supply, all power and AV must be sourced externally. Speak to our events team for a suppliers list and options.

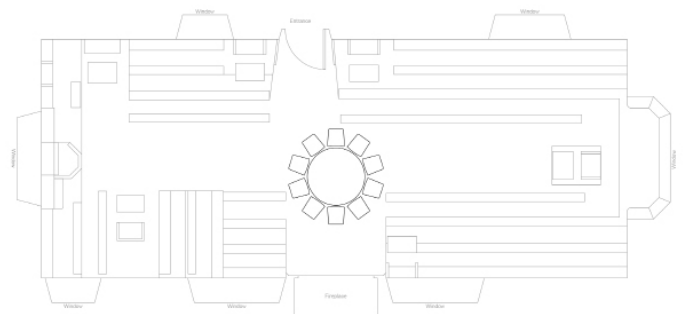

### HISTORY

Your guests will enjoy the unique experience of being surrounded by the names of Harrow's famous Giants of Old —including Winston Churchill, Lord Byron, Sheridan and Peel — all hand-carved into wooden panelling.

In more recent times, the Fourth Form Room can be instantly recognised as the classroom from the 'Winguardiam Leviosa' scene in *Harry Potter and the Philosopher's Stone*.
